

# SEATSAVER

....the name says it all

## Custom Patterned Seat Protectors for SUV's, CUV's and Light Trucks

Seat  
Saver

Front seats are sold in pairs, armrest & headrest covers included where applicable.

Front Seats, Second Seats & 3rd Seats too!

Custom fitted SeatSavers slip on to provide protection from sun, dirt, & abuse.

Protect against:

- Dirty dog
- Muddy shoes
- Messy kids
- Sun tan oil
- Hunting & fishing clothes
- Messy mechanic
- Greasy tools

SeatSavers block UV rays to reduce fading.

All stress seams are overlapped & double stitched.

Easy to clean.....just throw them in the washer and dryer.

Specific patterns include cut-outs for side air-bags and seat-back mounted shoulder belts (see guide)

SeatSaver polycotton fabric "breathes" so you won't have that hot, wet, sticky feeling like you do with neoprene seat covers!

Front seat protectors include a handy map pocket.

Available in solid color polycotton fabric or durable polyester base fabric printed with popular True Timber™ Camo designs
